**Milk—Production, Care, and Sale. (Ord. 765, Nov. 25, 1912.)**

SECTION 1. *Scale card.*—That the city council adopt the national score card herein set out to be used by the inspector of dairies and require said inspector to visit each dairy and dealer and make inspection thereof as he may deem necessary.

SEC. 2. *Milk permit.*—That the city require all producers and sellers of milk to procure a permit to sell milk from the city board of health.

SEC. 3. *Dairy test.*—That the dairy test with a score of 55 be required for the permit to sell raw milk, and that a dairy score of 50 be required for the sale of milk to be pasteurized. This requirement to be in effect until 1914, after which time the dairy score shall be 60 for the sale of raw milk and a score of 55 for milk that is to be pasteurized.

SEC. 4. *Temperature.*—That all milk sold shall be kept and delivered at a temperature not above 55° F.

SEC. 5. *Milk grades.*—That all raw milk sold shall be graded in three grades and labeled as to grade A, B, and C. "A" grade milk to be milk from a tuberculin-tested herd with a dairy score of not less than 60. "B" grade milk to be milk from a tuberculin-tested herd with a dairy score of not less than 50. "C" grade milk to be from a tuberculin-tested herd or not with a dairy score of less than 50. That the grade milk shall be designated by the proper letter to be not less than three-fourths of an inch in height and placed upon the milk container. There shall be such contrast between the color of the letter and the background as shall render the letter perfectly legible.

SEC. 6. *Milk test.*—That all pasteurized milk sold must be from dairies scoring not less than 60; must be bottled with bacterial count of not more than 100,000 and be kept and delivered at a temperature of not more than 50° F.

SEC. 7. *Bacterial count.*—That the bacterial count of the milk from all dairies and sellers of milk be made from time to time and that no milk showing a bacterial count of more than 1,000,000 per cubic centimeter be allowed sold.

SEC. 8. *Milk bottled.*—No milk shall be bottled in transit or under conditions insanitary.

SEC. 9. *Report.*—That a monthly report of the inspector of dairies and milk-producing places be made to the city board of health.

SEC. 10. *Milk containers.*—That all consumers of milk, hotels, restaurants, and eating houses are hereby compelled to wash thoroughly all milk bottles and milk containers, and said milk containers shall be used for no other than milk purposes.

SEC. 11. *Penalty.*—Any person, firm, or corporation violating any provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be subject to a fine not exceeding \$100 or 30 days in jail.

**WAUSAU, WIS.**

**Nuisances—Garbage, Manure, Privies and Cesspools—Exclusion of Flies. (Ord. June 4, 1912.)**

SECTION 1. All cans or other receptacles for the holding of garbage in the city of Wausau pending its removal from the premises shall have a top or lid fitting tightly over the same, so as to prevent as far as possible the emission of odors therefrom and the entrance of flies therein.

SEC. 2. It shall be the duty of every person owning, controlling, or having in charge any stable, barn, or other place where horses, mules, cows, or other live stock are kept, to have and maintain at all times upon the premises in or adjacent to said stable, barn, or place, a fly-tight receptacle of sufficient dimensions for the purpose of containing the droppings of manure from said stock, and the same shall have a top, lid, or door so arranged as to be fly tight and to exclude therefrom all flies, and to de-
